## TO ALL INTRAMURAL RECREATIONAL PARTICIPANTS

An important part of the Intercollegiate Athletics/Recreation Department is our Intramural Recreational Sports Program. There are three key thoughts that sum up the philosophy of the Intramural Recreational Sports Program - **PARTICIPATION, INTEREST, and ADMINISTRATION**. **The only way to achieve a measure of success throughout all phases of your program is the sum of the three along with your active participation.** Keeping this in mind, and with your help, it is our goal to meet the many recreational needs of the Rutgers-Newark University community.

As coordinator of the Intramural Recreational Sports Program, it is my privilege to extend an invitation to all of the Rutgers-Newark University community to PARTICIPATE in YOUR recreation programs. I wish you the best of luck to you in competition and sportsmanship.
